

# Blessings

by Angela Kempe (Angela Bond)

Gmin7 Cmin7 D7

Dios te ama  
Dios te ama  
Dios te ama  
Dios te ama

Gmin D7 Eb7 Cmin7

Something's going to change  
From deep inside your soul,  
It won't take very long,  
When you are in control.

You just have to believe  
That you can do it too,  
You've had it all along,  
It's been inside of you.

Gmin7 Cmin7 D7

CHORUS  
Let the blessings flow  
Let your fears all go  
Let the blessings flow  
You're worth much more than you know

Dios te ama  
Dios te ama  
Dios te ama  
Dios te ama

You know that you deserve,  
Love and happiness,  
But you're also capable,  
Of having great success.

It doesn't mean you're greedy,  
selfish, or possessed,  
You've worked hard all your life,  
So why can't you be blessed?

CHORUS

Let the blessings flow  
Let your fears all go  
Let the blessings flow  
You're worth much more than you know

Cmin Gmin Cmin D Eb D

Life is what you make it,  
From one idea that grows,  
So, sew a seed of kindness,  
And watch what it bestows.

CHORUS

Let the blessings flow  
Let your fears all go  
Let the blessings flow  
You're worth much more than you know  
Let the blessings flow  
Let the blessings flow

Dios te ama  
Dios te ama  
Dios te ama  
Dios te ama
