Feels a stirring in his heart  
One stands up to be preacher  
One's soft spoken but he's smart

Let all things take place for building up  
For building up  
Emin, G, C, D

Build me up  
Don't tear me down, Don't tear me down  
Build me up  
don't tear me down, Don't tear me down

One grabs up songs from heaven  
as they spill down from the sky  
One is good at smiling  
at the one whose feeling shy

One has the tongue for praying  
One is certain of their faith  
One, Strength to hold the other  
So they don't fall far from grace

Build me up  
Build me up  
Build me up
