

Only Could Have Been  
by Angela Kempe (Angela Bond)

Ab Bbmin Gb Db  
It's clear to me  
Why isn't it clear to you  
I can see it now  
All of what we've been through

It should've ended  
Long ago  
Nothing worked  
But we didn't know

Ebmin Gb Bbmin Db  
I'm sorry  
I couldn't trust you again  
I'm sorry  
that it's too broken

Ebmin Fmin Gb Ab  
Nothing's coming round the bend  
No hope this time  
This has to end  
Don't keep trying

Ebmin Gb Bbmin Db  
There's only could have been  
Only Could have been  
Only

Ab Bbmin Gb Db  
Don't hold on  
To hope  
Maybe we can salvage something  
But not that

I'm too tired  
There isn't anything left  
I wish there could be  
But no
