

# Only You God

By Angela Kempe (Angela Bond)

F F/E Dmin7 F/C Bb C F C  
My voice is gone  
But I'm screaming inside  
All my salty tears  
They have all dried

My voice is gone  
God I'm terrified  
But I still feel your love  
And I know you're my guide  
Only You

Dmin Dmin/C Bb C  
Who's gonna hold me up?  
I know they can't hold me

CHORUS  
F F/E Dmin7 F/C Bb C F  
Only you God  
Only you  
Only you God  
Only you

Who's gonna tame my heart  
When it's running wild?  
Who's gonna put back the pieces  
Of this broken child?

Who's gonna hold me up?  
I know they can't hold me

CHORUS  
Only you God  
Only you  
Only you God  
Only you

Gmin Dmin  
In this passion of love  
In all the bliss of happiness  
Whisper that I'm okay  
I'll be listening
