

Trying

words and music by Angela Kempe (Angela Bond)

C F Dm G

Sometimes I get up
But my body stays in bed
And all day long I'm wandering
In the dream inside my head
I know I can fly
But the world is against me
They don't want me to try
But I'm gonna show them somehow

The years keep multiplying
Everyday I wake up
I'm gonna keep trying

La...

Chorus

C Amin Dm G

When the odds are against you
You gotta keep trying
They will tell you you can't do it
But those naysayers are lying
It doesn't matter how
The years keep multiplying
Everyday I wake up
I'm gonna keep trying

You think I should get a day job
Maybe I should take a pill
And what's that crazy doing
She's just sitting wasting skill
But I am in my head now
And I can not lose my hope
As long as days keep coming
I will fight to move up slope

Chorus

C Amin Dmin G, then C G Dm G

When the odds are against you
You gotta keep trying
They will tell you you can't do it
But those naysayers are lying
It doesn't matter how
